Dear Parents/Carers

We are very proud to be the inclusive school that we are, and to teach and learn amongst all of our pupils, including children with varying and sometimes complex needs. All staff and children here at Purbrook Infants are part of our school family.

It is important to us, as a nurturing team, that careful consideration is made to those children who find school life more difficult to manage than others. There are many reasons why this might be, but our passion is to help lessen those barriers and offer as much support as is required, to ensure school life is accessible and enjoyable. This is something we feel all children deserve.

We are therefore keen to turn one of our small learning rooms into a sensory room and would politely ask for your support in doing so. Therefore, if you have any unwanted items such as those described below, that you would be happy to donate to the school we would be hugely grateful.

- Soft furnishings including beanbags, cushions, foam/soft children's chairs
- Colourful floor mats or rugs
- Teddies
- Small ball pool and balls
- Large, thin material (e.g. voiles)
- Mirrors (for mounting)
- Book shelves, storage boxes
- Pop up children's tent
- Large gym ball (similar to a fitness ball)
- Children's pop up tunnel
- Abacus or similar
- Lighting including mood lighting, fairy lights, lava lamps, nightlights, optic fibres, bubble/water machine, picture projector lights

We thank you in advance for any contributions, no matter how little they may seem.

Yours sincerely,

Mrs Z McBride

**(Special Needs and Disabilities Co-ordinator)**
