## Friday Flier

### Pantomime – Dick Whittington

This afternoon all the children were able to watch this excellent production which was performed by a professional company and was jointly funded by the PTFA and parental contributions, to whom we are very grateful. All the children really enjoyed the show and will be bringing home a chocolate treat and I am sure they will produce lots of exciting follow up work.

### Year 2 Trip: Wednesday 27 November

Please can you ensure that your child arrives for school by 8.50am so that we are able to discuss with them the importance of listening to instructions; staying with their adult, and also have time to remind them of our expectations regarding behaviour. **Normal school uniform should be worn on this day.** We will return to school in time for **normal collection at 3.15pm.**

### Request from Year R: Glass Gu or Small Baby Food Jars

If anybody has any leftover glass Gu jars or small Cow and Gate type baby food jars, Year R would love them for a fun Christmas craft activity. Please bring them in as soon as possible (preferably by Friday 29) as they would like to have this craft activity finished for the Christmas Fayre.

### Music Tuition

If you have not already done so, please can you pay for your child's tuition for this term by the date stated on the invoice. If your child learns more than one instrument, please provide **separate cheques/payment** for each invoice.

Thursday 19 December	Parent Helper/Governor Coffee Morning
TBC	Class Parties
Friday 20 December	<b>Last day of Autumn Term: School Finishes at 3.15pm/6.00pm for Beehive</b>

### Head Lice

We have had a number of reported cases across the school, particularly in Year 1. Please check your child's head over the weekend and treat as necessary. We are still advised that the most effective way of removing head lice is using the wet-combing method as described below.

- Wash the hair using ordinary shampoo and apply ample conditioner, before using a wide-toothed comb to straighten and untangle the hair
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb. Make sure that the teeth of the comb slot into the hair at the roots with the bevel-edge of the teeth lightly touching the scalp
- Draw the comb down to the ends of the hair with every stroke and check the comb for lice
- Remove lice by wiping or rinsing the comb
- Work methodically through the hair section by section so that the whole head of hair is combed through
- Rinse out conditioner and repeat the combing procedure on the wet hair
- Repeat the procedure on day **five, nine and thirteen** in order to clear the young lice as they hatch, before they have had time to reach maturity. **It is extremely important that you repeat on the days advised above.**

### Reporting Absence

A reminder that as well as telephoning the school, you can also report your child's absence via a company called **Studybugs** which enables you to go online via a phone or computer to report your child's absence securely. To get the free Studybugs app, or register on their website go to (<https://studybugs.com/about/parents>). If your child is unwell it is your responsibility to inform the school of this.

### Forest School Sessions:

Timetable for this half term was sent out with the 06 September Flier. Paper copies are on the notice boards by the North Door and the South Door. You are also able to check the timetable by clicking the following link: [Autumn B Timetable](#)

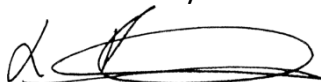

### INSET Day

A reminder that the school will be closed to pupils on Monday 25 Monday as this is a staff training day.

### Lunch Menu

Next Week's Menu will be: Week 1. Please click on the following link to access the menu online: [menu](#). Paper copies are on the notice boards by the North Door and the South Door and in Wagtails' Class window.

Yours sincerely

Mrs L A de Carteret  
**Headteacher**
