

Year 2 Literacy task 2– Character description

Using the same book that you did your last task on, write a character description about one of the main characters. Explain what they look like and how they feel and behave in the story. Don't forget to use conjunctions to extend your sentences and give reasons. Go back at the end and re-read your work, checking for any spelling and punctuation errors. There is a WAGOLL below to help you.
