Topic: Castles

Expressive Art and Design

1. Make a castle. This could be out of lego, building blocks, junk or even paper.
2. Make up some silly words to a nursery rhyme that you know, and see if you can play an instrument whilst you sing it. Here is an example to Twinkle Twinkle:

Chocolate, chocolate, chocolate cake

Why are you so fun to bake

Mix the batter, heat it up

Pour the icing from a cup
