

Year R Home Learning W/C 20.4.20

Topic: Castles

People and Communities

1. Learn about Captain Tom and his efforts to raise money. You could research a bit about his life too. Perhaps you could write Tom a letter to say thank you, or a birthday card for his birthday (30th April). If you want to, you could even post them to Captain Tom Moore, 67 Bedford Road, Marston Moretaine, MK43.

2. Research what the role of a child would have been in a medieval castle. Perhaps you could research how children trained to be knights, or what their expectations were for the children of the Lord and Lady. You could also find out who else lived and worked in a castle. The most unpleasant job was probably the Gong Farmer! **Make sure you have an adult to help you if you are researching using the computer.**

The World

1. During your daily exercise, look for a plant or flower that you can keep track of over the next few weeks. Take photos of, or draw, how it changes and why. For example, you could pick a tree with blossom on or a plant which is beginning to bud.
2. Go on a scavenger hunt around your house looking for materials (not just fabric) that match the following words:
 - Waterproof
 - Wooden
 - Smooth
 - Soft
 - Bendy
 - Metal
 - See-through
 - Hard
 - Rough
 - Stretchy
 - Glass
 - Magnetic
