Writing

1. Mrs Craig has found this mysterious egg in her garden! She needs help to work out how to look after it. Can you write some instructions for her to follow? Use language such as “First”, “Next” and “Then” to order your instructions.

2. Write a helicopter story about a dragon egg. Can you push yourself to write two sentences per box to add extra detail? For example, you could describe what your character looks like or what sounds you can hear at the setting.
3. Think back to how you celebrated VE day – can you write a recount about what you did?

Please remember that you need to sound out your writing yourself. If grown-ups do it for you, you won't be learning!
