

Number

1. Watch the next two videos at <https://www.thenational.academy/reception/maths/pairs-of-legs-exploring-counting-in-pairs-reception-wk2-3> and <https://www.thenational.academy/reception/maths/counting-in-equal-groups-reception-wk2-4>.
2. Help with the washing by pairing up all of the socks! Count how many socks there are by counting in 2s. Can you find other things to count in 2s in your house? You could count shoes, gloves, 2ps... Let us know your other ideas!

Shape, Space and Measure

1. A sphere has one curved face and no edges or vertices. Can you find any spheres in your house? They can be quite hard to find!

2. Explore the concept of a centimetre using a tape measure. Make sure you practice measuring from 0. What can you measure?
