Topic: Castles

Personal, Social and Emotional Development

1. Watch this video <https://www.youtube.com/watch?v=XVnY8qPbP1U&feature=youtu.be>. Discuss what bullying is (*repetitive and prolonged unkind behaviour – not just a once off!*) Look at the cards – decide if they are bullying or not, and then think of ways to solve the problems.

Noah is playing with a ball in the playground when an older pupil takes it away from him. The same boy took Noah's hula-hoop yesterday, and his yoghurt at lunch time.	Someone called Toby stupid because he didn't get anything right in the spelling test.
Someone hit Lily in the playground and called her a mean name because they lost the race.	No one will play with Oliver at playtime, even though he always asks nicely to join in the games. When he asks, they laugh at him and run away.

2. Talk about your skills. Make a list of things that you are good at and a list of things that you find hard.

Religious Education

Look through the video tour of a mosque and talk about the features you can see. How is a mosque the same / different to a church? <https://www.youtube.com/watch?v=GWi7plHFJl8>
