

Year R Home Learning W/C 15.6.20

Topic: Water

Reading

1. Continue to work through the weekly phonics lessons online (blending and segmenting: <https://www.youtube.com/playlist?list=PLuGr6z2H2KNGIYp03sdzSGLZquzuQENkx> / digraphs: <https://www.youtube.com/playlist?list=PLuGr6z2H2KNG4XgGr7UylwowieDLr-T-k>), Oxford Owl (if your child is finding these easy now, try them on a harder level) and the phonics activities on the school website.
2. There is still time to enter the Extreme Reading competition! If you don't have access to Facebook, you can email in your photo entry to the Year R email address.

Writing

1. Pirate Pam has heard how great Purbrook Infant School is and wants to choose one person to join her pirate crew! Write a letter to Pam to convince her to choose you, persuading her by explaining what you would be good at.
2. On a rainy day, get outside and explore the water! The come in and create a word map of every word you can think of about water. Perhaps you could write these in a giant rain drop! You could even use them to create a simple poem about water as well.

WATER ROUND by Leslie Bulion

Raindrops fall
Splink
Splash
Onto soil
Drip
Seep
Into creeks
Trickle
Gurgle
Joining rivers
Whoosh
Flow
To the ocean
Go
Drops
Go!
