Topic: Water

Personal, Social and Emotional Development

1. The mermaid has a rainbow coloured tail and all of the other mermaids just have green tails. They have been laughing at her and calling her unkind names because she is different to them. Can you think of some advice for the mermaid? What do you think she should do?

Religious Education

Make a jigsaw all about you. On each piece, write or draw something that you belong to or a way you show you belong. You could ask your family to do the same thing and then compare which pieces are the same and which are different.
