Dear Parents/Carers

Class Group Memory Photograph

Unfortunately, we are not going to be able to offer parents the normal end of year class photograph which is a lovely memento of their time at school. However, we feel children and parents will really want a record of the unique period in time and our photographic provider has come up with a way which allows parents to continue having a class group record for each year, albeit in a slightly different way.

Please see below a sample personalised class group memory produced for each child, with themselves as the large "star" image, surrounded by class friends, with the memorable "rainbow" in background. This will be possible by using the photograph taken in the autumn term. Unfortunately, only children who were in school on this day in the autumn term will be in the photograph.

How it works:

- If your child is attending school a proof card will be sent home with them
- If your child is not currently attending school we will invite you in to school to collect your child's proof card. This will most likely be from the Learning Lodge with access to the school being from the large gates in Days London Road as it will be easier to maintain social distancing whilst outside (**proof card will only be available for collection if your child was in school and had their individual photograph taken in October**)
- The price is £12 for 10"x8" photograph presented in a quality folding card mount and includes delivery direct to your home
- Proof cards will most likely be ready for collection either the first or second week of July
- Parents wishing to purchase the photograph make the order **Online Only**. If the order is received by the Order Closing Date the **photograph will be delivered direct to your home at no additional charge**
- Orders received after the closing date, will incur a Late Order Fee of £5 which will be added to cover additional administration and Postage & Packaging

Yours sincerely

Mrs L A de Carteret
