Reading

1. Make sure you are still trying to read five times a week! Think about your favourite time to read – is it in the morning, in the bath, perhaps in the garden after lunch or maybe just before bed?
2. Here are some links to authors reading or performing their favourite story.

Can you make a video of you reading your favourite book?

Writing

1. Using your research about underwater animals, write a factfile about an animal. Choose three facts such as "It has... It eats... It lives...".
2. Can you label a picture of an underwater animal? It could be a photo or a picture that you have drawn yourself!
3. Write a riddle about an underwater animal and see if anyone can guess which animal it is! Here is one for you...

It has a fin on top of its back.
It has sharp teeth.
It eats fish.

The answer is... A shark!
