

Home Learning Week 4 - 22/6/20

Hello Everyone!

You have really impressed us with your fabulous work learning exploring Europe! This week we are moving away from Europe and onto the biggest continent, Asia. Check out the map of Asia on the Year 1 page.

Below are some other ideas to explore the wider curriculum (geography, PE, art, etc.) There is also a Science activity to try on our Year 1 page.

A new PE challenge is set on our Facebook page each week, make sure you submit your score and you may find your name at the top of the leader board!

Well done for all your hard work so far whilst learning at home. We have really enjoyed seeing all the pictures of your work and are really impressed with the work you send in. Keep it coming as we will continue to share it in Friday assemblies.

(year1@purbrook-inf.hants.sch.uk)

<p><u>Geography</u> Take a trip to China here. You will visit the biggest city in the country, Shanghai and the Great Wall of China. There are some activities you can complete further down the page based on the videos.</p>	<p><u>Geography</u> Using the world map to help you, fill in the boxes labelling the 5 oceans around the world. Colour each continent a different colour.</p>
<p><u>Geography</u> Watch this video about two children talking about their lives living next to a river. One lives in Belfast, UK and the other lives in Pune, India. Can you make a list of what was similar and what was different? There is also a video based in London and Tokyo here.</p>	<p><u>Art</u> Pick a famous landmark in Asia and recreate it in a style of your choice. You may wish to paint, draw, build it with lego, use junk. Be creative anyway you like! There is information about landmarks in Asia on the Year 1 page and you may like to research further yourself.</p>
<p><u>RE</u> Watch the story of Siddhartha and the Swan & The Monkey King here.</p>	<p><u>Dance</u> Try some Bollywood dancing here. Can you make your own routine?</p>

Please remember we do not expect every activity set to be completed so do not panic if you are not getting through them all. The Year 1 Team.
