Can you remember  
what a landmark is?

# What Is a Landmark?

A landmark is something that stands out in an area. It could be a building, a bridge, a lake or river, a sculpture or something else. These places might be special because of their age or their size. A landmark makes a place recognisable. This means you could look at a picture of a landmark and know straight away where it is.

# What Is a Landmark?

Do you recognise any of these **famous landmarks** from around the world?

# The Great Wall of China

Now, let's explore the continent of **Asia**! This is the Great Wall of China, which is in China.

Here is Ubercorn with some funky facts.

# Burj Khalifa, Dubai

I love a tall building and Burj Khalifa is the tallest man-made structure in the world! It is 828 metres tall. It is also known as **the Jewel of Dubai**.

# Petra, Jordan

Petra is in Jordan. It is carved into rock.  
Here is Ubercorn to tell us more about it.

# Ha Long Bay, Vietnam

Look at Ha Long Bay in Vietnam. It is a beautiful bay with many islands and cliffs made from limestone and covered in different types of plants. The wind and waves have made these unusual looking islands over many years. **Souvenir selfie!**
