

Expressive Arts and Design

1. Can you make a shark? You could use recycled materials to make a model, or have a go at collaging a picture. Think carefully about which materials you would use for each part. Will the skin be rough or smooth? Will the teeth be sharp or pointy? Try to use as many different types of material as you can.

When you are finished, can you think about an 'Even better if...' ie, if you made it again, and had more resources available, what could you have done to make it better?

2. Can you retell the story of the Billy Goats Gruff? You could watch it here first <https://www.youtube.com/watch?v=3QzT1sq6kCY> (Youtube The Three Billy Goat Gruff Gigglebox) to remind you. You could also cut out the characters from the attached sheet to help you.
