

Deep in the Rainforest

Deep in the rainforest, deep in the rainforest,

What did I see? What did I see?

I saw a parrot soaring up high

And a monkey swinging from tree to tree.

Deep in the rainforest, deep in the rainforest,

What did I hear? What did I hear?

I heard a tiger with a grumbling growl

And the whizzing sound of a hunter's spear.

Deep in the rainforest, deep in the rainforest,

What did I smell? What did I smell?

I smelled the scent of a bright pink flower

And the hot damp smell of trees as well.

Deep in the rainforest, deep in the rainforest,

What did I feel? What did I feel?

I felt the spiky leaves on a bush

And the smoothness of banana peel.

Deep in the rainforest, deep in the rainforest,

What did I taste? What did I taste ?

I tasted many juicy fruits

And my sandwiches with cold meat paste.

Deep in the rainforest, deep in the rainforest,

What did I do? What did I do?

I crept along so quietly

I crept along so quietly

I crept along so quietly

And that's when I bumped into **YOU!**
