

Home Learning Week 14 - 13/7/20

Hello Everyone!

First of all, we would like to say a BIG thank you and well done for all your hard work at home. You have really impressed us with your commitment and perseverance as well as all of your creativity. It has been lovely to see all of your work and what else you have been doing this term.

This week will be our last full week and therefore the last of our home learning activities. We will be exploring North America. We know it has been a long term and many of you are tired so we have combined our wider curriculum and writing tasks on this page for you to choose from. We also have some forest school activities on the Year 1 page.

Please continue to send in the last pieces of work to year1@purbrook-inf.hants.sch.uk.
