

Deep in the rainforest, deep in the rainforest,

What did I see? What did I see?

---

---

Deep in the rainforest, deep in the rainforest,

What did I hear? What did I hear?

---

---

Deep in the rainforest, deep in the rainforest,

What did I smell? What did I smell?

---

---

Deep in the rainforest, deep in the rainforest,

What did I feel? What did I feel?

---

---

Deep in the rainforest, deep in the rainforest,

What did I taste? What did I taste?

---

---

Deep in the rainforest, deep in the rainforest,

What did I do? What did I do?

I crept along so quietly

I crept along so quietly

I crept along so quietly

And that's when I bumped into YOU!
