23 November 2020

Dear Parents/Carers

I would like to say a huge welcome back to our Year 2 family today. It is so lovely to have the children back filling the corridors with their laughter and excitement. It was only 10 days but it felt longer and it didn't feel quite right without them here so we are all very pleased with their return.

I would also like to say a huge thank you to you, your support and kind words of encouragement throughout the closure made everything seem easier and more manageable, and you have also worked so hard with your child/children to ensure the work has been completed and to such a high standard. The high levels of engagement have meant the children have settled straight back in today without any gaps in their learning, so thank you so much for working so hard. We do understand and can appreciate it is not easy when you yourselves are trying to work from home or have to juggle home life and work around these periods of isolation. It's not fun and it's not easy!

We always appreciate your thoughts and would love to know how the period of isolation felt from your point of view, it helps us to know if we got the process right or not, and as our first bubble closure you were our path finders! Could you please spend a few minutes filling in the Google Form as this will help us with any future bubble closures. Please complete by **Monday 30 November**.

Please click on this link to fill in our quick Google Form: <https://forms.gle/6HAvrEGmeDCFnrUr5>.

Thank you again.

Yours sincerely

Mrs L A de Carteret
