Dear Parents/Carers

We have an INSET day planned for Wednesday 27 January for staff training. We have taken the decision with the junior school to cancel this INSET as we felt the commitment and work that everyone is showing in continuing to work or meet new challenges in the face of this virus was crucial and therefore we would remain open to support this.

The school will now continue to be open on Wednesday 27 January for critical workers and vulnerable children. The teachers will also continue to provide home learning on this day.

We will liaise with the junior school in due course to set a new INSET day in the summer term when the current lockdown is over and the day may be used more freely to enjoy some family time.

Best wishes and stay safe

Yours sincerely

Mrs L A de Carteret
