

# Year 1 Learning at Home Spring Term 1 2021: Walking with Dinosaurs

## 8.1.21

We will be starting each day with a zoom session to meet up with the children and preparing them for the activities to complete each day. Please try to attend one of the time slots: Please try to attend one of the time slots - they are not linked to classes.

Today will be a story on Zoom.

Session 1	Session 2	Session 3
9.00am	9.30am	10.00

For security reasons, the link was sent out via parent mail on 5/1/21. This will remain the same each time. If you are unable to make any of these sessions on a particular day, there will be a video introducing the day's learning uploaded to our Year 1 YouTube channel - details below.

We have created a Year 1 YouTube Channel which where you will find videos to teach new concepts and explain activities each day. If you subscribe to this channel, you will be able to find the videos easily. Here is the link:

[https://www.youtube.com/channel/UCNAgaFlsbSyzxk2c-p\\_NTdw?safe=true](https://www.youtube.com/channel/UCNAgaFlsbSyzxk2c-p_NTdw?safe=true).

Here is the outline for our day's learning. The times are a guide for how we organise the day at school. You will have complete flexibility to fit around your family with home working and sibling's demands for devices, etc. If you have any questions or queries, please email the year 1 team using [year1@purbrook-inf.hants.sch.uk](mailto:year1@purbrook-inf.hants.sch.uk). We would like to see your learning - photographs work well - sent to this address too, so that teachers are able to respond to what you have done at home, make suggestions for improving work and monitor how children are finding the tasks.

### 8.50 - 9.25 Music

Find your favourite teddy and watch the video: Exploring different ways to use your voice:  
<https://teachers.thenational.academy/lessons/exploring-different-ways-to-use-your-voice-6wrk8c>

You will need quiet space so that you can listen and join in.

### 9.25 - 9.40 Handwriting

Practice writing all letters of the alphabet a-z. Which letters did you find the most difficult? Focus on practising 3 of these letters.

### 9.40 - 9.55 Snack Time

### 9.55 - 10.40 Maths

Count backwards from 1 to 100. You could use a 100 square to help your child remember the sequence.

Today we are practicing recalling the pairs of numbers that total 10. It is essential that children are able to recall these quickly by the end of Year 1.

Look at the pdf 'Friday Maths 7.1.21'. Show your child the numicon on the second page, can they tell you what is needed to total 10? Go through all pages. They can use their fingers to help initially, but aim to remember at least some of the facts before attempting the written questions on the pdf 'Friday Maths Questions 7.1.21'.

If your child is unsure of these number facts, practice the first activity a couple of times during the day.

### 10.40 - 11.05 Shared Learning Time

Children plan their learning tasks using one of these areas:

- Small world (construction, dinosaurs, cars, trains, etc.)
- Creative (painting, collage, drawing using chalks, pastels or junk modelling)
- Reading
- Writing

Encourage your child to use different activities over the week.

### 11.05 - 11.35 Phonics

**Children who usually work in Woodpeckers or Blackbirds for phonics:**

Recap the sounds 'ay' and 'ou' with by watching the following videos:

ay: <https://www.youtube.com/watch?v=MTCP8i4Nwgc&safe=true>

ou: <https://www.youtube.com/watch?v=-qtCB7CYH3I&safe=true>

Practise reading words with these sounds playing 'roll and read' on the year 1 page. If you would like an extra challenge you can write sentences using these words.

**Children who usually work in Doves for phonics:**

Contact your child's class teacher via [year1@purbrook-inf.hants.sch.uk](mailto:year1@purbrook-inf.hants.sch.uk) if you are unsure which video to watch.

### 11.35 - 1.00: Lunchtime

### 1.00 - 2.00 English

Miss McKelvey is going to introduce today's English lesson about verbs. Please watch the video on the YouTube channel which demonstrates the following:

Today we are learning about verbs. These are action words, they describe what someone is doing for example; 'jumping'. Can you think of any other verbs?

Look at the 'English act it out document'. Read the verbs and act it out (support with reading if needed). You can take it in turns with your siblings or adults or challenge each other with the best actions. Say the verb as you act it out.

Please listen to your child read their reading book daily if possible. If you need more books, read an e-book from here. You will need to register your email address to access them the first time you use them.

### 2.30 - 2.50 Story Time

Share a story together. Do you have any stories about Dinosaurs?

Here are some links to different stories about dinosaurs.

### 2.50 - 3.00: Reflection Time

Have a think about three things that you can be thankful for today. This encourages children to keep a positive mindset and supports their mental health in difficult times. You could write them down or draw a picture. Alternatively, make a jar to keep a list of things you are missing at the moment (like seeing your wider family, visiting a special place) so you can make sure they happen when the virus is gone.

### End of the day zoom

If you have any questions, queries or would like to discuss any aspect of the learning your child has completed, you can contact a year 1 teacher at 3.00pm. We will of course still be able to answer queries via email. The access code is the one that was sent via parent mail earlier this week.
