

Year 1 Learning at Home Spring Term 1 2021: Walking with Dinosaurs

Monday 18th January 2021

We will be starting each day with a zoom session to meet up with the children and preparing them for the activities to complete each day. Please try to attend one of the time slots - they are not linked to classes.

Session 1	Session 2	Session 3
9.00am	9.30am	10.00

For security reasons, we will email the link via parent mail. This will remain the same each time. If you are unable to make any of these sessions on a particular day, there will be a video introducing the day's learning uploaded to our Year 1 YouTube channel - details below.

https://www.youtube.com/channel/UCNAgaFlsbSyzxk2c-p_NTdw?safe=true.

Here is the outline for our day's learning. The times are a guide for how we organise the day at school. **You have complete flexibility to fit around your family with home working and sibling's demands for devices, etc.** If you have any questions or queries, please email the year 1 team using year1@purbrook-inf.hants.sch.uk. We would like to see your learning - photographs work well - sent to this address too, so that teachers are able to respond to what you have done at home, make suggestions for improving work and monitor how children are finding the tasks.

8.50 - 9.25 Art

Today we are going to follow a tutorial by author and illustrator Rob Biddulph to learn how to draw a dinosaur.

<https://www.youtube.com/watch?v=bhyCxVPb1qU&safe=true>

We have put a link to Happy Hatchday, which features this dinosaur, in story time this afternoon.

9.25 - 9.40 Handwriting

Watch the video and have a go at writing the letter patterns. Children should use a pencil rather than pen to write as this flows more easily over the page. Wherever possible please work on lined paper with line size of 1.5 cm or write on alternate lines if they are smaller than this.

9.40 - 9.55 Snack Time

9.55 - 10.40 Maths

To warm our maths brains up this morning, count backwards from 100 to 0 using the 100 square to help. Then can you fill in the missing numbers using 40s and 60s numbers?

On Monday and Tuesday this week, we are going to be doubling numbers up to 10 with the aim of learning the facts. Watch the video and then choose **two** of these activities to practice doubling numbers mentally.

1. Roll a dice and double the number. Write the number sentence. When you are confidently recalling all of these facts, use 2 dice or cover up the numbers to practice doubling numbers 4 - 10.
2. Use a pack of playing cards or Uno cards if you have them. Turn them upside down and take it in turns to double the number on the card e.g. 4: double 4 is 8 or 4 plus 4 is equal to 8
3. Use dominoes to draw the double and complete the number sentence
4. Play Archery doubles: <https://www.ictgames.com/mobilePage/archeryDoubles/index.html>
5. Write the numbers 1 to 10 down in order (easier) or muddled up (harder). Race against the clock to double the numbers as quickly as possible.

10.40 - 11.05 Shared Learning Time

Children plan their learning tasks using one of these areas:

- Small world (construction, dinosaurs, cars, trains, etc.)
- Creative (painting, collage, drawing using chalks, pastels or junk modelling)
- Reading
- Writing

Encourage your child to use different activities over the week.

11.05 - 11.35 Phonics

Please watch one of the DfE phonics videos each day. Your child will need some paper and a pencil. It might be helpful if they can pause the video in places. Contact your child's class teacher via year1@purbrook-inf.hants.sch.uk if you are unsure which video to watch. The links are:

Children who usually work in Woodpeckers or Blackbirds for phonics - not necessarily their usual class:

Children who usually work in Doves for phonics - not necessarily their usual class:

<https://www.youtube.com/watch?v=OO49S-qXQxE&list=PLuGr6z2H2KNHY2HITC9jV0a65ED0aD2Ry&index=37&safe=true>

11.35 - 1.00: Lunchtime

1.00 - 2.00 English

Last week we were learning about verbs. What is a verb? A verb is an action word that describes what someone is doing. Can you think of some verbs?

Today we are going to write a list of 'ing' words to describe a dinosaur's actions or movements.

For example - stomping, crunching.

You could even imagine you are a dinosaur and try to act out some of these actions.

Now think of about the part of the dinosaur's body which might have made that action.

For example - Feet stomping

Add these words to your list.

Keep your list of words as you will need them tomorrow to help you write a poem.

Please listen to your child read their reading book daily if possible. If you need more books, read an e-book from here. You will need to register your email address to access them the first time you use them.

https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=&level=book+band+2%3A+red&level_select=book+band+2%3A+red&book_type=&series=#

2.00 - 2.30 Shared Learning Time

See earlier notes

2.30 - 2.50 Story Time

Share a story together. Here is a link to Happy Hatchday - you should recognise the dinosaur from our art lesson this morning!

<https://www.youtube.com/watch?v=JkREIrMML9Q&safe=true>

2.50 - 3.00: Reflection Time

Have a think about three things that you can be thankful for today. This encourages children to keep a positive mindset and supports their mental health in difficult times. You could write them down or draw a picture. Alternatively, make a jar to keep a list of things you are missing at the moment (like seeing your wider family, visiting a special place) so you can make sure they happen when the virus is gone.

End of the day zoom

If you have any questions, queries or would like to discuss any aspect of the learning your child has completed, you can contact a year 1 teacher at 3.00pm. We will of course still be able to answer queries via email. The access code is the same as for morning sessions.
