

# Year 1 Learning at Home Spring Term 1 2021: Walking with Dinosaurs

## Monday 25<sup>th</sup> January 2021

We will be starting each day with a zoom session to meet up with the children and preparing them for the activities to complete each day. Please try to attend one of the time slots - they are not linked to classes.

Session 1	Session 2	Session 3
9.00am	9.30am	10.00

For security reasons, we will email the link via parent mail. This will remain the same each time. If you are unable to make any of these sessions on a particular day, there will be a video introducing the day's learning uploaded to our Year 1 YouTube channel - details below.

[https://www.youtube.com/channel/UCNAgaFlsbSyzxk2c-p\\_NTdw?safe=true](https://www.youtube.com/channel/UCNAgaFlsbSyzxk2c-p_NTdw?safe=true).

Here is the outline for our day's learning. The times are a guide for how we organise the day at school. **You have complete flexibility to fit around your family with home working and sibling's demands for devices, etc.** If you have any questions or queries, please email the year 1 team using [year1@purbrook-inf.hants.sch.uk](mailto:year1@purbrook-inf.hants.sch.uk). We would like to see your learning - photographs work well - sent to this address too, so that teachers are able to respond to what you have done at home, make suggestions for improving work and monitor how children are finding the tasks.

### 8.50 - 9.25 Design Technology

Today we are going to learn how to make a dinosaur headdress. You will need some card and paper. If you have green paper that will be ideal for making the dinosaur's plates.

Watch the video (link below) and pause it while you complete the steps. What type of dinosaur will you become? We look forward to meeting these creatures on zoom on Tuesday!

[Dinosaur Headdress Video](#)

### 9.25 - 9.40 Handwriting

Watch the video and have a go at writing the letter patterns. Children should use a pencil rather than pen to write as this flows more easily over the page. Wherever possible please work on lined paper with line size of 1.5 cm or write on alternate lines if they are smaller than this.

### 9.40 - 9.55 Snack Time

## 9.55 - 10.40 Maths

To start our maths lesson today, we are going to count in 10s along a measuring stick. Then we are going to use our number bonds of 10 to help us reason and subtract. There is a video on our Year 1 YouTube channel to work through with various activities to complete while you pause the video.

If your child is still finding it hard to remember (not use their fingers) the pairs of numbers that total 10 it would be helpful to write the numbers 0-10 and two 5s on small pieces of paper and challenge them to match them up as quickly as possible. Playing this game each day will improve their recall.

If you prefer to complete a sheet, some of the questions can be downloaded from the website.

Part of today's session uses the greater than (>) and less than (<) symbols. Your child may like to watch the Numberblocks programme that introduces Blockzilla (the character that uses these symbols). Click on the link below, click the 'choose an episode' button and it is listed under series 3. You will need to login to watch.

<https://www.bbc.co.uk/cbeebies/shows/numberblocks>

## 10.40 - 11.05 Shared Learning Time

Children plan their learning tasks using one of these areas:

- Small world (construction, dinosaurs, cars, trains, etc.)
- Creative (painting, collage, drawing using chalks, pastels or junk modelling)
- Reading
- Writing
- Find out more about dinosaurs - there are lots of adventures with Andy on cbeebies to enjoy!
- Alternatively, you could go outside for some exercise.

Encourage your child to use different activities over the week.

## 11.05 - 11.35 Phonics

Please watch one of the DfE phonics videos each day. Your child will need some paper and a pencil. It might be helpful if they can pause the video in places. Contact your child's class teacher via [year1@purbrook-inf.hants.sch.uk](mailto:year1@purbrook-inf.hants.sch.uk) if you are unsure which video to watch. The links are:

**Children who usually work in Woodpeckers or Blackbirds for phonics - not necessarily their usual class:**

<https://www.youtube.com/watch?v=AtH5Do7PaHk&feature=youtu.be&safe=true>

**Children who usually work in Doves for phonics - not necessarily their usual class:**

There will be a video to watch on the Year 1 YouTube channel to introduce the children to 'split digraphs'. The children will still need a pencil and paper ready.

## 11.35 - 1.00: Lunchtime

### 1.00 - 2.00 English

Today you are going to listen to the story of "The Little Green Dinosaur". Listen to the video on the Year 1 YouTube channel.

Now divide a piece of paper into 6 parts. Draw the pictures to go with each part of the story.

Go back and listen to the story again if you cannot remember what happened next.

Once you have drawn your pictures listen to the story again. Have you missed out any parts?

Can you retell the story using your pictures?

Please listen to your child read their reading book daily if possible. If you need more books, read an e-book from here. You will need to register your email address to access them the first time you use them.

Here is another comic to enjoy, this time all about what dinosaurs have for their lunch!

### 2.00 - 2.30 Shared Learning Time

See earlier notes

### 2.30 - 2.50 Story Time

Share a story together.

Looking for a different story, try this link -

<https://www.booksfortopics.com/storytime-online-5-7>

The QR codes and links in the document lead to story readings on YouTube and all of the books they have chosen are read aloud by their fabulous authors and illustrators.

### 2.50 - 3.00: Reflection Time

Have a think about three things that you can be thankful for today. This encourages children to keep a positive mindset and supports their mental health in difficult times. You could write them down or draw a picture. Alternatively, make a jar to keep a list of things you are missing at the moment (like seeing your wider family, visiting a special place) so you can make sure they happen when the virus is gone.
