

## Can't stop the feeling!

1. What does the artist mean in the lines ...

'Got the good soul in my feet' What is he doing?

---

'Under the lights when everything goes' What lights is he talking about?

---

Moving so phenomenally. What does he mean by phenomenally?

---

2. What type of words are flying, leaving, dancing and rushing?  
Nouns, verbs, adjectives or adverbs?

---

3. Can you think of a word to replace phenomenally?

---

4. Can you fill in the missing words from the lyrics?

"I got this feeling inside my **bones**  
It goes electric, wavy when I turn it \_\_\_\_\_."  
All through my city, all through my **home**  
We're flying up, no ceiling, when we're in our \_\_\_\_\_."  
"I got that sunshine in my pocket  
Got that good soul in my **feet**  
I feel that hot blood in my body when it drops, ooh  
I can't take my eyes up off it, moving so \_\_\_\_\_."  
"And under the lights when everything **goes**  
Nowhere to hide when I'm getting you \_\_\_\_\_."

5. How does the song make you feel? And why?
