

Year 1 Learning at Home Spring Term 1 2021: Walking with Dinosaurs

14.1.21

We will be starting each day with a zoom session to meet up with the children and preparing them for the activities to complete each day. Please try to attend one of the time slots - they are not linked to classes. We are going to try and play number bond bingo on zoom, so can you write down 6 numbers up to 10 (e.g. 2, 5, 6, 7, 1 and 10) ready.

Session 1	Session 2	Session 3
9.00am	9.30am	10.00

For security reasons, the link was sent out via parent mail on 5/1/21. This will remain the same each time. If you are unable to make any of these sessions on a particular day, there will be a video introducing the day's learning uploaded to our Year 1 YouTube channel - details below.

We have created a Year 1 YouTube Channel which where you will find videos to teach new concepts and explain activities each day. If you subscribe to this channel, you will be able to find the videos easily. Here is the link:

https://www.youtube.com/channel/UCNAgaFlsbSyzxk2c-p_NTdw?safe=true.

Here is the outline for our day's learning. The times are a guide for how we organise the day at school. You will have complete flexibility to fit around your family with home working and sibling's demands for devices, etc. If you have any questions or queries, please email the year 1 team using year1@purbrook-inf.hants.sch.uk. We would like to see your learning - photographs work well - sent to this address too, so that teachers are able to respond to what you have done at home, make suggestions for improving work and monitor how children are finding the tasks.

8.50 - 9.25 Music

Find a quiet space so that you can listen and join with lesson 2: exploring different ways to use your body to make percussion patterns. Here is the link to the lesson

<https://classroom.thenational.academy/lessons/exploring-different-ways-to-use-your-body-75k68t>

9.25 - 9.40 Handwriting

Watch the video and have a go at writing the letter patterns. Children should use a pencil rather than pen to write as this flows more easily over the page. Wherever possible please work on lined paper with line size of 1.5 cm or write on alternate lines if they are smaller than this.

9.40 - 9.55 Snack Time

9.55 - 10.40 Maths

Watch the video about making 2-digit numbers.

To complete today's lesson, you will need the same resources you used yesterday, with some groups of 10 (e.g. bundles of 10 straws; towers of 10 lego bricks, bags of 10 pasta pieces) and some individual pieces of the same resource. We will need these for Friday's session too!

Challenge 1: Choose a red number and use the 10s and 1s to represent the number. Once you have completed 3 or 4 red numbers, try some of the orange numbers. It is important that your child continues to practice counting in 10s and 1s

Challenge 2: Count the rows and ten and then the individual squares to work out how many squares are shaded.

10.40 - 11.05 Shared Learning Time

Children plan their learning tasks using one of these areas:

- Small world (construction, dinosaurs, cars, trains, etc.)
- Creative (painting, collage, drawing using chalks, pastels or junk modelling)
- Reading
- Writing

Encourage your child to use different activities over the week.

11.05 - 11.35 Phonics

Please watch one of the DfE phonics videos each day. Your child will need some paper and a pencil. It might be helpful if they can pause the video in places. The links are:

Children who usually work in Woodpeckers or Blackbirds for phonics:

There is a video on the YouTube to work through today.

Children who usually work in Doves for phonics:

<https://www.youtube.com/watch?v=gJhNxURKtIo&list=PLuGr6z2H2KNHY2HITC9jV0a65ED0aD2Ry&index=39&safe=true>

Contact your child's class teacher via year1@purbrook-inf.hants.sch.uk if you are unsure which video to watch.

11.35 - 1.00: Lunchtime

1.00 - 2.00 PE

If the weather allows, try to go out for some exercise around the local area. Here are some suggestions if you are not able to get out:

<https://youtu.be/DcGFteFryoA>

Please listen to your child read their reading book daily if possible. If you need more books, read an e-book from here. You will need to register your email address to access them the first time you use them.

Here is a link to a comic you might enjoy reading too:

https://phonicsplaycomics.co.uk/comic_ph3_the_haircut.html

2.00 - 2.30 Shared Learning Time

See earlier notes

2.30 - 2.50 Story Time

Share a story together.

If you would like an online story, there are lots of different options from the BBC here:

<https://www.bbc.co.uk/bitesize/topics/z6vv4wx/resources/1>

2.50 - 3.00: Reflection Time

Have a think about three things that you can be thankful for today. This encourages children to keep a positive mind-set and supports their mental health in difficult times. You could write them down or draw a picture. Alternatively, make a jar to keep a list of things you are missing at the moment (like seeing your wider family, visiting a special place) so you can make sure they happen when the virus is gone.

End of the day zoom

If you have any questions, queries or would like to discuss any aspect of the learning your child has completed, you can contact a year 1 teacher at 3.00pm. We will of course still be able to answer queries via email. The access code is the one that was sent via parentmail earlier this week.
