

Year 1 Learning at Home Spring Term 1 2021: Walking with Dinosaurs

Wednesday 27th January 2021

We will be starting each day with a zoom session to meet up with the children and preparing them for the activities to complete each day. Please try to attend one of the time slots - they are not linked to classes.

Today on zoom we will have an opportunity to read one of our English sentences, from yesterday, describing the dinosaur. Pick out your favourite sentence ready to read on zoom (you can listen to others if you do not want to share).

Session 1	Session 2	Session 3
9.00am	9.30am	10.00

For security reasons, we emailed the link via parent mail. This will remain the same each time. If you are unable to make any of these sessions on a particular day, there will be a video introducing the day's learning uploaded to our Year 1 YouTube channel - details below.

https://www.youtube.com/channel/UCNAgaFlsbSyzxk2c-p_NTdw?safe=true.

Here is the outline for our day's learning. The times are a guide for how we organise the day at school. **You have complete flexibility to fit around your family with home working and sibling's demands for devices, etc.** If you have any questions or queries, please email the year 1 team using year1@purbrook-inf.hants.sch.uk. We would like to see your learning - photographs work well - sent to this address too, so that teachers are able to respond to what you have done at home, make suggestions for improving work and monitor how children are finding the tasks.

8.50 - 9.25: PSHE - Road safety

Today we are thinking about keeping ourselves safe when crossing a road. If it is dry and you are able go out with an adult, you could practise crossing a road safely. If you can't go out you could create a pretend road inside or use some cars and toys - teddies, dinosaurs etc on a road mat to practise crossing the road. Think about crossing the road safely in the dark - play this game -

<https://www.think.gov.uk/resource/be-bright-be-seen-game>

9.25 - 9.40 Handwriting

Watch the video and have a go at writing the letter patterns. Children should use a pencil rather than pen to write as this flows more easily over the page. Wherever possible please work on lined paper with line size of 1.5 cm or write on alternate lines if they are smaller than this.

9.40 - 9.55 Snack Time

9.55 - 10.40 Maths

Today's maths is exploring the difference between consecutive numbers. We are going to use an Oak Academy lesson (link below) although we'd like you to watch the maths video on our YouTube channel first to introduce some key words you need to understand for today's session. As yesterday, you can pause the video to complete the various tasks. If you prefer the questions are available to print from our website.

<https://classroom.thenational.academy/lessons/consecutive-numbers-6wv3qe>

10.40 - 11.05 Shared Learning Time

Children plan their learning tasks using one of these areas:

- Small world (construction, dinosaurs, cars, trains, etc.)
- Creative (painting, collage, drawing using chalks, pastels or junk modelling)
- Reading
- Writing

Encourage your child to use different activities over the week.

11.05 - 11.35 Phonics

Your child will need some paper and a pencil. It might be helpful if they can pause the video in places. The links are:

Children who usually work in Woodpeckers or Blackbirds for phonics - not necessarily their usual class:

Skip the introduction today and start the video at 6:53 (as there are sounds they have not yet learnt in the warm up) <https://www.youtube.com/watch?v=6Em7ixOmPdc&safe=true>

Children who usually work in Doves for phonics - not necessarily their usual class:

There is a video on our **YouTube channel** to watch. You can choose to print the words to read from the website or just pause the video and read off the screen.

Contact your child's class teacher via year1@purbrook-inf.hants.sch.uk if you are unsure which video to watch.

11.35 - 1.00: Lunchtime

1.00 - 2.00 PE

If the weather allows, try to go out for some exercise around the local area. Here are some suggestions if you are not able to get out:

- Sports4Primary work outs and challenges (there are now KS1 ones):
<https://www.youtube.com/channel/UCfLZxHkE7wT8vckkHuFtrdw>
- [Association for PE lessons](#)
- [Yorkshire sport foundation PE Lessons](#)
- Jump start Johnny videos: <https://www.jumpstartjonny.co.uk/free-stuff>

2.00 - 2.30 Music

Have a piece of paper and pencil ready and find a quiet space so that you can listen and join in with lesson 4 exploring higher and lower sounds: <https://classroom.thenational.academy/lessons/high-and-low-sounds-identifying-them-6xhkcr>

2.30 - 2.50 Story Time

Share a story together

Looking for a different story, try this link -

<https://www.booksfortopics.com/storytime-online-5-7>

The QR codes and links in the document lead to story readings on YouTube and all of the books they have chosen are read aloud by their fabulous authors and illustrators.

We now have access to Collins Big Cat reading scheme online for your child to read:

<https://connect.collins.co.uk/school/teacherlogin.aspx>

Login details: **parents@harpercollins.co.uk**

Password: **Parents!21**

2.50 - 3.00: Reflection Time

Have a think about three things that you can be thankful for today. This encourages children to keep a positive mindset and supports their mental health in difficult times. You could write them down or draw a picture. Alternatively, make a jar to keep a list of things you are missing at the moment (like seeing your wider family, visiting a special place) so you can make sure they happen when the virus is gone.
