

A landscape photograph of a plain with a green speech bubble overlay. The image shows a wide, flat expanse of dry, yellowish-brown grass under a cloudy sky. A thin line of trees and distant hills is visible on the horizon. A green speech bubble with a white outline is positioned in the upper right corner, containing the word "plains" in black lowercase letters. The background of the slide features abstract green geometric shapes.

swamps

A wide-angle photograph of a desert landscape. The foreground and middle ground are dominated by large, smooth sand dunes of a light tan color. Scattered across the dunes are several small, dark green, scrubby bushes. The background shows more dunes extending towards the horizon under a clear, pale blue sky. The overall scene is bright and open.

deserts

A coastal landscape featuring a rocky shoreline on the left, a sandy beach in the middle ground, and a green field in the foreground. The ocean is visible in the background under a cloudy sky. A yellow speech bubble with the text "shorelines" is positioned in the upper right corner.

shorelines

A photograph of a lush forest path. The path is narrow and made of dirt, winding through a dense thicket of green ferns and other vegetation. In the foreground, a large, vibrant green fern with a thick, brown stem is the central focus. The background is filled with more trees and foliage, creating a sense of depth and a rich, green environment. The overall scene is a typical representation of a temperate forest floor.
