

Year 1 Learning at Home Spring Term 1 2021: Walking with Dinosaurs

Friday 12th February 2021

Well done everybody for all your hard work this half term. You have been amazing! We have really enjoyed sharing your home learning and seeing you on zoom. We hope you have a restful half term.

This morning's zoom will include the story you need to complete the English lesson. Please attend if possible to one of the following:

Session 1	Session 2	Session 3
9.00am - Miss McKelvey	9.30am - Miss Hawkins	10.00 - Mrs Jones

Half Term Collection

Please collect a range of **small** boxes, tubes and containers which we will need for an art project we are going to be completing after half term.

Here is the outline for our day's learning. The times are a guide for how we organise the day at school. **You have complete flexibility to fit around your family with home working and sibling's demands for devices, etc.** If you have any questions or queries, please email the year 1 team using year1@purbrook-inf.hants.sch.uk. We would like to see your learning - photographs work well - sent to this address too, so that teachers are able to respond to what you have done at home, make suggestions for improving work and monitor how children are finding the tasks. Year 1 YouTube channel:

https://www.youtube.com/channel/UCNAgaFlsbSyzxk2c-p_NTdw?safe=true.

English

Attend one of the morning zooms to hear the story: 'Whatever next'. If you cannot attend a zoom, you can listen to the story here: https://www.youtube.com/watch?v=Za-g9y0_Y1s&safe=true. You will then need to find the following items (or something similar) around your home to retell the story 'Whatever next':

- Welly boots
- A colander
- A teddy
- Sacks (for the picnic)
- A empty box

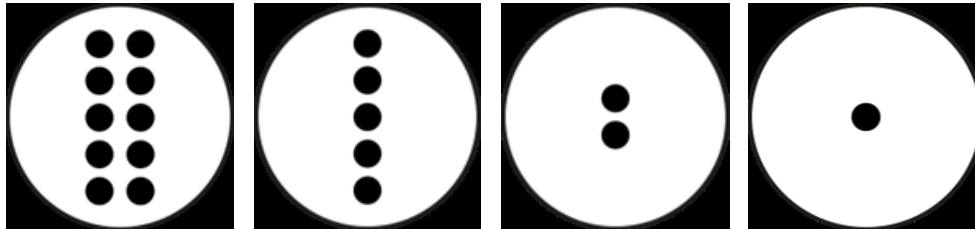

Handwriting

Watch the video and have a go at writing the letter patterns. Children should use a pencil rather than pen to write. Wherever possible please work on lined paper with line size of 1.5 cm or write on alternate lines if they are smaller than this.

Snack Time

Maths

We are going to continue learning about money today. As before, if you are able to give your child some coins to look at that would be really helpful and to have the 'tokens' which we used on Wednesday (if you are creating them they can be similar to the ones below or they can be printed from the website). This is to show the value of the different coins which will help children to understand that 1 coin does not necessarily have a value of 1.

There is a video to watch on YouTube for today's maths lesson, making amounts. There are lots of activities during the session to complete, for which you will need a pencil and paper. There is a task at the end which you can print from the website if you prefer.

Shared Learning Time

Children plan their learning tasks using one of these areas:

- Small world (construction, dinosaurs, cars, trains, etc.)
- Creative (painting, collage, drawing using chalks, pastels or junk modelling)
- Reading
- Writing

Encourage your child to use different activities over the week.

Phonics

Children who usually work in Woodpeckers or Blackbirds for phonics – not necessarily their usual class:

Please choose one of the following activities:

- Recap a-e: <https://www.youtube.com/watch?v=jkycxr-joDk&safe=true>
- Recap i-e: https://www.youtube.com/watch?v=4-swf3Gy_40&safe=true
- Recap o-e: <https://www.youtube.com/watch?v=VpTIpkGU1fY&safe=true>
- Play a game of hot potato to practise the split digraphs you have learnt this week. You do not have to print the words, you can write them on small pieces of paper.
- Play sentence substitution: <https://www.phonicsplay.co.uk/resources/phase/5/sentence-substitution-ph5a>

Children who usually work in Doves for phonics – not necessarily their usual class:

There is a video to watch on our YouTube channel and if you would like to have the words printed to read, they are available on the website.

Contact your child's class teacher via year1@purbrook-inf.hants.sch.uk if you are unsure which video to watch.

Lunchtime

1.00 - 1.35 Computing

Watch the video on the YouTube channel. Before you start have a selection of objects or you can print the dinosaur pictures that are used during the session. You will be grouping these objects so they need to be a variety of sizes, colours etc. You will also need a pencil and paper and be able to pause/restart the video.

Please listen to your child read their reading book daily if possible. If you need more books, read an e-book from here.

Collins Big Cat reading scheme:

2.00 - 2.30 Shared Learning Time

See earlier notes

2.30 - 2.50 Story Time

Share a story together.

2.50 - 3.00: Reflection Time

Have a think about three things that you can be thankful for today. This encourages children to keep a positive mindset and supports their mental health in difficult times. You could write them down or draw a picture. Alternatively, make a jar to keep a list of things you are missing at the moment (like seeing your wider family, visiting a special place) so you can make sure they happen when the virus is gone.

Have a fabulous half term break and we look forward to catching up with you all on Monday 22nd February!
