

Geography Week 6

Learning objective: To be able to identify landmarks of Africa.

Success Criteria:

- You will know more about the seven wonders of Africa
- You are able to locate Africa on the map
- You are able to tell a fact about your favourite landmark
- You are able to record your landmark in a form of a drawing.

Task:

Research the seven wonders of Africa by using a link on your blended learning timetable or alternatively, type the names into Google individually. After that, draw us a beautiful picture of your favourite wonder of Africa.

The seven wonders we have chosen are:

The River Nile

Mount Kilimanjaro

Okavango Delta

Serengeti

Red sea

Ngorongo Crater

Sahara Desert
