

LO: To be able to solve addition and subtraction problems.

Session 1 and 2

$$25 - 12 =$$

$$14 + 14 =$$

$$11 + 16 =$$

$$37 - 15 =$$

$$28 - 11 =$$

$$22 + 16 =$$

$27 - 15 =$

$28 - 16 =$

$17 + 16 =$

$25 + 14 =$

$27 + 12 =$

$38 - 16 =$

$27 + 15 =$

$39 - 15 =$

$37 + 11 =$

$34 - 13 =$

$28 + 14 =$

$49 - 16 =$

$48 - 25 =$

$38 - 24 =$

$27 + 15 =$

$27 + 25 =$

$23 + 22 =$

$48 - 23 =$

$23 + 25 =$

$39 - 15 =$

$37 + 11 =$

$34 - 25 =$

$29 + 24 =$

$49 - 31 =$

Dad bought me three packs of football card for £3 each. He paid with a £20 note. How much change does he get?

A ribbon is 100cm long, Miss Richardson is making 7 bows and she needs 5cm for each bow. How much ribbon does she have left?

Mrs Rolfe swam 25 lengths on Monday, double that on Tuesday and only 10 on Wednesday. How much did she swim in total?

I got £30 on my birthday, £22 at Easter and £5 from the tooth fairy. The toy I want is £100. How much more do I need?

Miss Offer ran 21km at the weekend and 55km in the week. If her target is 100km, how many more km does she need to run?

Dad bought me five packs of football card for £5 each. He paid with a £50 note. How much change does he get?

Pens come in boxes of 10, I have 5 boxes at home. I share my pens equally between me and my sister. How many pens do we have each?

Each chore takes 20 minutes, if I complete 4 chores and rest for 5 minutes. How long will my chores take?

My book has 120 pages, I read half of the book in 1 week and I read another 30 pages the next week. How many pages do I have left to read?

Miss Offer ran 26km at the weekend and 55km in the week. If her target is 100km, how many more km does she need to run?

I got £20 on my birthday, £15 at Easter and £2 from the tooth fairy. The toy I want is £50. How much more do I need?

Pencils come in boxes of 5, I have 6 boxes at home. I share my pens equally between me and my sister. How many pens do we have each?

A ribbon is 100cm long, Mrs Pennell is making 8 bows and she needs 10cm for each bow. How much ribbon does she have left?

My book has 150 pages, I read 50 pages in 1 week and I read another 35 pages the next week. How many pages do I have left to read?

Each chore takes 15 minutes, if I complete 4 chores and rest for 5 minutes. How long will my chores take?

Mrs Rolfe swam 30 lengths on Monday, double that on Tuesday but only 15 on Wednesday. How much did she swim in total?
