MUMMY NATURE SERIES

Nurturing children's curiosity

by Rebecca Bielawski

Each book in the series is one mini nature lesson wrapped up in colour and rhyme. These books are intended for very young children including toddlers and will give them just a glimpse into some of the wonders of the natural world around them. Illustrated for maximum vibrancy and visual impact, using rhyme to engage young minds and encourage participation.

As I was out and
looking,

For cool things

to do and see,

I saw...

**a greenish speckled pear,
Hanging from a tree.**

The pear fell down,
to the ground,
