

Year 1 Learning at Home Spring Term 2 2021: The Three Little Pigs

Friday 5th March 2021

You made it! Congratulations for persevering with home learning and making it to the last day - you all deserve a prize and a well-earned rest (from Monday!). Thank you all for your support throughout this time. It has helped your children to keep learning. We are really looking forward to seeing them all again on Monday.

Zoom sessions today are for Blackbirds and Woodpeckers classes - **sorry, we have had to cancel Dove's zoom session today.** The meeting details were emailed to you on Friday 26th February via parent mail.

Here is the outline for our day's learning. The times are a guide for how we organise the day at school. **You have complete flexibility to fit around your family with home working and sibling's demands for devices, etc.** If you have any questions or queries, please email the year 1 team using year1@purbrook-inf.hants.sch.uk. We would like to see your learning - photographs work well - sent to this address too, so that teachers are able to respond to what you have done at home, make suggestions for improving work and monitor how children are finding the tasks.

8.50 - 9.50: English

Watch today's video to get you ready to write a wanted poster to try and locate the Big Bad Wolf. You need to describe him really carefully so we can track him down!

9.50 - 10.00 Handwriting

Watch the video and have a go at writing the letter patterns. Children should use a pencil rather than pen to write. Wherever possible please work on lined paper with line size of 1.5 cm or write on alternate lines if they are smaller than this.

10.00 - 10.15 Snack Time

10.15 - 11.05 Maths

We are going to solve a problem in today's lesson - how can we share the picnic food equally between two children and then four children. If you are feeling creative, you could create your own picnic with real food or even get lunch ready to share!

11.05 - 11.35 Phonics

All children should watch the phonics video on our YouTube Channel. There are different tasks for each **phonics group** (not class). These will be identified in the video, and available to download from the website as needed. Contact your child's class teacher via year1@purbrook-inf.hants.sch.uk if you are unsure which task to complete.

Children who usually work in Woodpeckers for phonics - not necessarily their usual class:

Play Hot Potato - we are using the same game cards as last week - they are available to print from the website if you do not have the cards anymore! Then watch the dictation video to practice spelling the tricky words.

Children who usually work in Blackbirds for phonics - not necessarily their usual class:

Play Hot Potato - we are using the same game cards as last week - they are available to print from the website if you do not have the cards anymore! Then practice spelling the tricky words using the look, cover, write, check strategy,

Children who usually work in Doves for phonics - not necessarily their usual class:

Play Hot Potato - we are using the same game cards as last week - they are available to print from the website if you do not have the cards anymore! Then practice spelling the tricky words using the look, cover, write, check strategy,

11.35 - 1.00: Lunchtime

1.00 - 2.00 World Book Day Activity

The most important thing is that you enjoy reading today! Curl up with a book in your favourite spot and share lots and lots of stories! There are a couple of video stories on the YouTube Channel to enjoy and look out for the Masked Reader video too!

There is a scavenger hunt to download and complete - can you hunt through all the reading materials (magazines, books, newspapers, catalogues, advertising materials etc.) and locate all the things on the list? Pictures or words - either will do! Happy hunting!

2.00 - 2.30 Shared Learning Time

Children plan their learning tasks using one of these areas:

- Small world (construction, dinosaurs, cars, trains, etc.)
- Creative (painting, collage, drawing using chalks, pastels or junk modelling)
- Reading
- Writing
- Playing a maths game to consolidate mental recall of number facts
- A Phonics game from Phase 3, Phase 4 or Phase 5a of www.Phonicsplay.co.uk which is currently free to use.
- Getting outside for some exercise

Encourage your child to use different activities over the week.

Please listen to your child read their reading book daily. There are a range of e-books using the same colour levels used in school available from the following providers:

Collins Big Cat reading scheme:

2.30 Zoom with your own class

Details to access the zoom call with your family have been emailed to you. Please try and attend these zooms for the children to prepare for returning to school on Monday 8th March.

2.50 - 3.00: Reflection Time

Have a think about three things that you can be thankful for today. This encourages children to keep a positive mindset and supports their mental health in difficult times. You could write them down or draw a picture. Alternatively, make a jar to keep a list of things you are missing at the moment (like seeing your wider family, visiting a special place) so you can make sure they happen when the virus is gone.
