

Year 1 Learning at Home Spring Term 2 2021: The Three Little Pigs

Tuesday 2nd March 2021

For this last week we will be ending the school day with a zoom session at **2.30pm** to reconnect and meet with the children in our usual class groups ready for our return on Monday 8th. **We would really like to see all children attend these sessions to help them settle back to school.** We will be talking about their learning from each day and sharing some of the activities we have planned for the children back at school. These details have been emailed to you for security reasons.

Here is the outline for our day's learning. The times are a guide for how we organise the day at school. **You have complete flexibility to fit around your family with home working and sibling's demands for devices, etc.** If you have any questions or queries, please email the year 1 team using year1@purbrook-inf.hants.sch.uk. We would like to see your learning - photographs work well - sent to this address too, so that teachers are able to respond to what you have done at home, make suggestions for improving work and monitor how children are finding the tasks.

8.50 - 9.25: Art

Last week, we learnt about sculptures and designed our very own ones using recycling that we have collected. Today we are going to build and decorate our sculptures. Look at your design from last week and recreate the sculpture, sticking or taping it into place. Once you have finished your sculpture (and it is dry if you used glue), you can now decorate it using items you already have. This may be coloured paper, wrapping paper, tissue paper, paints, colouring in pens or pencils etc.

9.25 - 9.40 Handwriting

Watch the video and have a go at writing the letter patterns. Children should use a pencil rather than pen to write. Wherever possible please work on lined paper with line size of 1.5 cm or write on alternate lines if they are smaller than this.

9.40 - 9.55 Snack Time

9.55 - 10.40 Maths

We are going to continue thinking about comparing numbers to 20 and placing numbers in the correct place on the number line today. Watch today's lesson on our YouTube channel. We use number cards 0-20 as part of today's lesson. You can make these by cutting up pieces of paper or cards. There are two sheets that you will need to print or copy ready for today's session too which can be downloaded from our website.

10.40 - 11.05 Shared Learning Time

Children plan their learning tasks using one of these areas:

- Small world (construction, dinosaurs, cars, trains, etc.)
- Creative (painting, collage, drawing using chalks, pastels or junk modelling)
- Reading
- Writing
- Playing a maths game to consolidate mental recall of number facts
- A Phonics game from Phase 3, Phase 4 or Phase 5a of www.Phonicsplay.co.uk which is currently free to use.
- Getting outside for some exercise

Encourage your child to use different activities over the week.

11.05 - 11.35 Phonics

All children should watch the phonics video on our YouTube Channel. There are different tasks for each **phonics group** (not class). These will be identified in the video, and available to download from the website as needed. Contact your child's class teacher via year1@purbrook-inf.hants.sch.uk if you are unsure which task to complete.

Children who usually work in Woodpeckers for phonics - not necessarily their usual class:

Play the game on the first video. Then there is a second video to listen to on the YouTube channel.

Children who usually work in Blackbirds for phonics - not necessarily their usual class:

There is a game to play - you can use the game board on the video or print a copy from the website. Then we will be practicing spelling some words - this task is part of the video, you just need a piece of paper.

Children who usually work in Doves for phonics - not necessarily their usual class:

There is a game to play - you can use the game board on the video or print a copy from the website. Then we will be practicing spelling some words - this task is part of the video, you just need a piece of paper.

Contact your child's class teacher via year1@purbrook-inf.hants.sch.uk if you are unsure which video to watch.

11.35 - 1.00: Lunchtime

1.00 - 2.00 English

Today we will continue to think about the character of the Big Bad Wolf from the story of The Three Little Pigs and finish our 'Role on the Wall' that we started yesterday. Watch the video on our YouTube Channel to find out how to do this.

Keep your completed role on the wall sheet - we will need it for a task later in the week.

Please listen to your child read their reading book daily. There are a range of e-books using the same colour levels used in school available from the following providers:

Collins Big Cat reading scheme:

2.00 - 2.30 Shared Learning Time

See earlier notes

2.30 Zoom with your own class

Details to access the zoom call with your family have been emailed to you. Please try and attend these zooms for the children to prepare for returning to school on Monday 8th March.

2.50 - 3.00: Reflection Time

Have a think about three things that you can be thankful for today. This encourages children to keep a positive mindset and supports their mental health in difficult times. You could write them down or draw a picture. Alternatively, make a jar to keep a list of things you are missing at the moment (like seeing your wider family, visiting a special place) so you can make sure they happen when the virus is gone.
