Travelling Abroad During the Half Term Break

There are very few countries on the Government's "green" list which enables you to travel and then return to the UK with no restrictions. If you do travel to an amber list country, please do not send your child to school on your return to the UK as you are required to follow the Government's Amber List Rules. Please can you also inform us the reason for your child's absence through the normal routes. Please visit the Gov.UK website for full details.

Face Coverings

We have noticed that quite a few of our parents are no longer wearing face coverings whilst on the school site. Please can I remind you that these are still required at the current time.

Reporting Covid Cases During the Half Term Period

Please may I ask you to inform me of any positive test results that arise up to and including 31 May. Please e-mail covidabsence@purbrook-inf.hants.sch.uk Please provide your child's name and class, the symptoms they had/have and when these began, their last day in school, the date of the test and the end date of their quarantine period.

Beyond 31 May there should not be any need to report cases to school as we would not have any action to take, however if your child has symptoms, a member of your household has symptoms or your child has already been asked to isolate beyond 08 June please report their absence in the usual way.

Busy Bees

Due to a special visitor who came in to school to talk to the children about the environment, we could not celebrate the children who received Busy Bee Stampers in assembly this week. These will be celebrated in their Year Group Assembly when we return after the half term break.

Class Reading Challenge: Raffle Winners

This has also been rolled over to the week after half term.

Reporting Absence

A reminder that as well as telephoning the school, you can also report your child's absence via a company called **Studybugs** which enables you to go online via a phone or computer to report your child's absence securely. To get the free Studybugs app, or register on their website go to (<https://studybugs.com/about/parents>). If your child is unwell it is your responsibility to inform the school of this.
