15 July 2021

Dear Parents/Carers of Children in Kestrels' Class and Owls' Class

**Change of Drop Off/Collection Door: From Monday 19 July**

We are delighted that our Year 1 and Year 2 classes are going to be having a "facelift". They will be decorated, with new carpets and furniture.

We were hoping that this could be done during the school holidays but unfortunately it was just too big a job. It is therefore necessary for the painters and decorators to start prior to the school holidays. This will therefore mean that Kestrels' Class will be relocated to the ICT Suite for a few days. This will necessitate a change of drop off and collection arrangements.

Commencing the morning of Monday 19 July:

- Kestrels' Class will be using the library door. Please enter and leave through the large double playground gate (located at the far end of the playground)
- Owls' Class will be returning to their normal classroom but as Kestrels' Class will be using the library door, please drop off and collect your child from the North Door. Please enter and leave through the large double playground gate (located at the far end of the playground).

Please note that the start and finish times have not changed. We will inform you when the class has been decorated and things go back to normal.

Yours sincerely

Mrs L A de Carteret  
**Headteacher**
