13 September 2021

Dear Parents/Carers

Year 1 Space Day Tuesday 21 September 2021

We are really excited to be arranging a 'Space Day' for the Year 1 children on Tuesday 21 September 2021. It will be a whole day that will immerse the children in learning about space, building on aspects that they are keen to find out more about:

- What do we find in space?
- How do we get to space?

The children will have the opportunity to visit a mobile planetarium during the day which will enable us to experience the sights and sounds of space in a really exciting way. We are really keen to provide the children with experiences that enhance their learning such as the planetarium however, we are reliant on voluntary contributions from parents to cover the costs as the school budget does not enable us to offer these. A voluntary contribution of £4 will cover the costs of our space day. Please be aware that if a significant number of places are not paid for we will be unable to offer visits of this type in the future. We do feel that this visit is really good value for money as the cost of coach hire is exorbitant and in this way we can provide the children with an exciting learning opportunity whilst at the same time saving the parents some money!

You will shortly receive a text message providing you with information as to how to pay for this visit online. If you choose not to pay for this visit online, please keep this text message for future reference as it will enable you to make payments (Beehive or music tuition in Year 2). Cheques should be made payable to Hampshire County Council. If you wish to pay by cash, then please enclose the correct money where possible. If you do require change then please be advised that this may not be issued on the day payment is made.

We will be having a special space themed lunch – look out for details on the Friday Flier!

As Space Day will be a Tuesday, children should continue to wear PE kit as it can get warm inside the planetarium. Please be reassured there are strict infection control measures in place, and the presenter will comply with all school Covid-19 policies.

Please complete and return the form below with the relevant money by **Friday 17 September 2021**.

Yours sincerely

Miss H. A. Hawkins

Year 1 Leader
