Dear Parents/Carers

You should have received an email inviting you to sign up to Seesaw. This is our new virtual learning platform which will run across the school, enabling you to see your child's learning and progress for their whole school career.

Seesaw is new to the school so please understand that there may initially be some teething problems as staff, parents and children get used to the new platform. We are excited to be able to begin to send you photos, videos and recordings of your child's learning and we ask that you share any exciting learning or proud moments from home as well.

You can also use Seesaw to contact your child's teacher with any questions; this is not for urgent updates, however, as teachers check Seesaw at varying intervals and we cannot guarantee that they will see the message in time. It is also worth noting that staff are encouraged to check Seesaw during working hours only, so there may be a delay if you message in the evening.

If you have any questions about Seesaw, or did not receive an email, please speak to your child's class teacher. There are also helpful 'How-to' articles available at <https://help.seesaw.me/hc/en-us/categories/115000881123-Families>.

Yours sincerely
