

DARE to Learn Curriculum Science Skills Progression Year 1 Autumn B

Question to explore	What's for Christmas dinner?
	Scientific Coverage
NC Coverage	 Observe and describe weather associated with the seasons and how day length varies. (Autumn) Revisit: using our senses to describe food.
Observe closely and/or over time (sometimes using equipment)	¥
Comparative and fair testing Ask simple questions and recognise they can be answered in different ways	
Identifying and classifying	
Pattern Seeking Gathering and recording data	 After breaktime every day for two weeks (for each season December – February Winter) a child is to record the weather on a class chart. Record a reflection from a few chn each day e.g. "The clouds are grey so it might rain later" "It's still like summer but it should be Autumn now" After the two weeks (a class block graph should have been created) chn to write / verbally record statements to go with it "In this season it mostly rained" "We only had a few says of sunshine" "There wasn't any foggy days" (SAME AS PREV HALF TERM – ONLY COMPLETE ONCE)
Researching using secondary sources	
Key Scientific Vocabulary - discuss and remember and embed.
