08 October 2021

Dear Parents/Carers

Alongside this letter your child will today be bringing home a letter and QR code that will explain how to access Seesaw. This is our new virtual learning platform (similar to Tapestry which your child had in Year R) which will run across the school, enabling you to see your child's learning and progress throughout their time at Purbrook Infant School.

Seesaw is new to the school so please understand that there may initially be some teething problems as staff, parents and children get used to the new platform. We are excited to be able to begin to send you photos, videos and recordings of your child's learning and in time you will be able to share proud moments from home as well.

You can also use Seesaw to contact your child's teacher with any questions; this is not for urgent updates, however, as teachers check Seesaw at varying intervals and we cannot guarantee that they will see the message in time. It is also worth noting that staff are encouraged to check Seesaw during working hours only, so there may be a delay if you message in the evening. The Year Group emails are also still available (year1@purbrook.inf.hants.sch.uk for Year 1 and year2@purbrook-inf.hants.sch.uk for Year 2).

If you have any questions about Seesaw, or did not receive a QR code please speak to your child's class teacher. There are also helpful 'How-to' articles available at <https://help.seesaw.me/hc/en-us/categories/115000881123-Families>.

Yours sincerely

Miss H Hawkins
Key Stage 1 Phase Leader
