What is the 'Internet' and how do they use it

How games can be fun, but some games don't make us feel good

Who to turn to, when something doesn't feel right online

FREE

THURSDAY 4TH NOVEMBER 14:00

Come in and be involved

Spend approx. 45 minutes learning about how technology influences your child's life.

- Get tips on how to set the restrictions you want such as stopping unwanted payments.
- See how Apps & Games lead young people to dangerous things
- Talk about what concerns you (Screen time, strangers online, peer pressure)

<< **The Curiosity Beast**

I have a question...

Have you heard of a Netflix Series making it's way to young peoples games such as Roblox? We will be speaking about this in our session!
