Vegetable Garden

We have been informed that some children are running across our vegetable patches/raised beds which are located along the top path leading to the North Door, this is taking place at the beginning and end of the day. These are used by our gardening club are now growing plants. Some have been destroyed and will need to be replaced. Please can you remind your children of the use of this area and that it is out of bounds. We have volunteers who come in weekly to help Miss Warne and the gardening club children and it is very disappointing to see their hard work trodden on and which will no longer grow as expected. Thank you.
