BRITISH VALUES STATEMENT

Date:	1st September 2023	Review Date	Summer Term 2024
--------------	--------------------------------------	--------------------	-------------------------

The DfE have reinforced the need to ‘create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.’ The Government set out its definition of British values in the 2011 Prevent Strategy, and these values were reiterated in 2014 and onwards

At Purbrook, we take our responsibility very seriously, in preparing children for life in modern Britain. We reinforce these values and concepts throughout the curriculum; in particular our PSHCE, RE and SMCS sessions provide opportunities to explore these issues and deepen understanding of how these values apply to the children’s own lives.
