Dear Parents/Carers

PE Activity Questionnaire

Part of the PE subject leadership is to understand the activity levels of our children and their families and we would be grateful if you could complete the Google Form by clicking on the link below.

The questionnaire is a screening tool that will provide us with an overview of your child's activity levels outside of school. The information you supply will enable us to inform our future planning for Physical Education lessons and determine if there are community resources or services that may be useful for your child or your family.

Thank you for participating in our PE activity monitoring questionnaire.

Yours sincerely

Mrs Pennell
PE Subject Leader
