Year Group Valentine's Discos

Please note that we will not be issuing actual tickets. The PTFA have a list of every child who has paid to attend and their name will be ticked off on entry. We will be dismissing the children in Year Groups and below is a reminder of the exit doors we will be using. Please do bear with us as safety is our number one priority and ensuring that the children are safely reunited with the correct parents will take a little time.

Help still needed at the discos Thank you to all the parents who have volunteered already to help. We still need a few more helpers. If you are able to help please fill in the Google form by clicking on the following link: [Google Form](#) or email: ptfa@purbrook-inf.hants.sch.uk

Payment for Year 2 Trip

Thank you to all the parents who made a payment towards the cost of the trip to the dockyard. We still have a number of parents who have indicated that they will be making online payments but these have not yet been received. If you have not yet made a payment but are now in a position to do so, all monies would be gratefully received. Without the financial support of parents trips of this nature will not be possible in the future which would be a real shame.

Request from Mrs Bailey

Thank you to everyone who has already given us items for Mrs Bailey's 'curiosity containers'. She would now be grateful to receive any toddler toys that light up, make sounds, drop balls, car that run etc. Many thanks.

Reminder: No before or after school library

Due to our library stocktake it is necessary to cancel the extra library sessions on Monday after school and Tuesday/Thursday before school. These sessions will recommence the week commencing 19 February.

Message from Governors

This month I want to tell you how the structure of the Governing Board is designed to fulfil, our various roles. There are two main committees of the Governing Board, The Curriculum and Finance and Pay. The terms of reference for all Committees are reviewed annual by the Governing Board and can be viewed on the school web site on the Governors page. In addition, there are three Panels which cover the Headteacher's Performance Management Review, Staff or Parents review and Appeals. The Headteacher Performance Review Panel has three appointed Governors, whilst the other two panels are created as and when required and membership is agreed at the time. Next month I will tell you how to see who are Governors and what roles they perform.

Multiply Maths Games Night

Thank you to Mr Stray and Mrs Garrett for working with the Multiply Maths Team to make this event so successful. The feedback we have received has been very positive and everyone, both adults and children alike, certainly seemed to be enjoying themselves. As this event was so well received, we are looking at ways that we can run similar events in the future but, as all the games were supplied by the Maths Team, this would need resourcing so "Watch this Space!".
