Dear Parents/Carers

Phonics and Reading Meetings/Workshops: Monday 21 and Tuesday 22 October at 9.00am and Wednesday 23 October at 5:30pm

In order to give you a better understanding of the way we teach reading and phonics in school and how you can support your child at home we are inviting parents to join us for a meeting on one of the above dates.

Miss Wigmore, our phonics and reading leader will be running these informative sessions and we do hope you will be able to come along as they will be extremely useful to both you and your child. The 9.00am sessions will be immediately followed by a workshop in your child's phonics group, where you can see everything that was discussed in practice.

In order to reach as many parents as possible, we are also offering an after school meeting on Wednesday. There will not be an opportunity to watch phonics after this session but, if you feel that this would be beneficial, you can liaise with your child's class teacher to agree another time that you can attend.

If you have attended one of these meetings before, we strongly suggest you still sign up as there will be information pertinent to your child's new year group.

Please indicate via the Google Form below whether you would like to attend by 9.00am on Friday 18 October so that we can ensure that adequate seating is provided.
