16 October 2024

Dear Parents/Carers

**Change of Catering Company**

As previously advised, we will be switching provider after the half term break. You should receive an email in the next day or so. Please do check your junk folders.

This is a welcome email and will include a link which will enable you to order meals for your child and to activate your account and set your own password.

Please be aware that if you select that you do not want your child to eat one of the 14 main allergens, this will simply remove food options that contain those items, it will not provide you with an alternative.

Mrs Gray has already contacted the parents of children who have a medically approved diet and this is something that can continue.

We have only been able to provide one email address initially but we are able to add additional emails where a child resides in two households.

Yours sincerely

Mrs L A de Carteret  
**Headteacher**
