05 September 2025

Dear Parents/Carers

### **School Lunches**

Over the next couple of days, you should receive an email from School Grid. Please do check your junk folders.

This is a welcome email and will include a link which will enable you to order meals for your child and to activate your account and set your own password. ***Please do not order lunches until your child is in school full time (Thursday 25 September).***

Please be aware that if you select that you do not want your child to eat one of the 14 main allergens, this will simply remove food options that contain those items, it will not provide you with an alternative.

We have only been able to provide one email address initially but we are able to add additional emails where a child resides in two households.

Yours sincerely

Mrs L A de Carteret  
**Headteacher**
