11 September 2025

Dear Parents/Carers of Year 2 Children

### **Lego Club**

We are very excited to share that our Chair of Governors, who has a huge amount of Lego expertise and is an avid Lego builder has offered to continue his Lego Club for Year 2 pupils which will begin on Thursday 25 September and run until Thursday 16 October (The club will run for 4 weeks).

The club will start immediately after school and finish at 4.30pm. The club will be run by Mr Merefield.

There is an expectation that children attend the club on a regular basis as they build on their learning from one week to the next. The four weekly programme will consist of:

- Week 1. Brief introduction, make their name in Lego, free build of their own choice
- Week 2. In pairs learning to build together
- Week 3. Design and build a building/ vehicle / bridge – problem solving and working on resilience.
- Week 4. All together design and build a space city of the future

Due to the limited number of spaces, Mr Merefield has asked that only eight children at a time attend and children will be selected on a first come first serve basis. We expect there to be a lot of interest in this club so please do not hesitate to fill in the Google Form. Mr Merefield will run this club all year, so children will be allocated a slot either this term or Spring/Summer. [Lego Club](#)

If you would like your child to take part in the Lego Club, then please complete the google form by the end of the day on **Monday 15 September**. If your child is allocated a place, they will receive a confirmation slip on 19 September.

Yours sincerely

Lisa de Carteret  
**Headteacher**
