12 February 2026

Dear Parents/Carers of Children in Year 2

**Year 2 Maths Meetings: Wednesday 25 February at 5.00pm or Thursday 26 February 25 February at 9.15am**

You are invited to a 'Maths Information Meeting' to find out more about supporting your child' at home. Maths is an important skill and at Purbrook Infant School we attach great importance to the teaching of maths in school and the practising of maths skills at home.

At the meeting we will share information about how children are taught maths at school and offer ideas to help you to support your child at home. There will also be an opportunity to ask any questions that you may have relating to this subject.

We would like to invite you to attend a meeting on either Wednesday 25 February at 5.00pm Thursday 26 February at 9.15am.

Attending this meeting will be of benefit to your child. It will give you a clear understanding of the skills your child will be taught, and will need to develop, in order to become a competent, confident mathematician.

In order to book on the information meeting please do so by clicking on the Google Form: [Year 2 Maths Meeting](#) by Monday 23 February.

Yours sincerely

Mr P Stray  
**Maths Leader**
