Reporting Absence

A reminder that as well as telephoning the school, you can also report your child's absence via a company called **Studybugs** which enables you to go online via a phone or computer to report your child's absence securely. To get the free Studybugs app, or register on their website go to (<https://studybugs.com/about/parents>). If your child is unwell, it is your responsibility to inform the school of this.

Lunch Menu

This is available for parents to view and order online. Please go to <https://app.schoolgrid.co.uk/> where you can view and order a lunch for your child.

Ordering in Advance: You can order in advance for the whole week (possibly longer). If you do this but then your child is not in school before 9.15am because you are late or are taking them to an appointment but you haven't informed us of this, **their lunch request will be cancelled** and you will need to provide them with a packed lunch. Whilst lunches are free to parents, the school has to pay for these.

If your child has an appointment and will be in late but requires a lunch that day, please let us know by leaving the school a voicemail. We have set up a designated telephone option – option 4. You can pre-order a lunch or leave us a message (before 9.15am). We just need you to let us know that your child will be in later that day. Please do not leave a message on the normal absence line as staff may not get to your message in time and your child's lunch will be cancelled.

Yours sincerely

Mrs L A de Carteret
Headteacher
